Website : http://www.gatamed.com
Product Name : CryoFit DMSO 99,5% $\geq$ 10ml

Product Name	CryoFit DMSO 99,5% $\geq$ 10ml
GMDN Code and the Description	46668-Blood storage solution, multipurpose A blood preservation fluid that is used during the collection and storage of blood and blood components in a healthcare and/or a blood bank facility (typically in a laboratory associated with the collection of blood or during apheresis procedures that result in the collection of blood), to perform more than one blood preservation function such as anticoagulation, provision of blood cell nutritional needs, and/or support during blood freezing. It is supplied in a container (e.g., a polypropylene bag) and is not for direct intravenous infusion. This is a single-use device.

Classification : Class IIb Annex IX Rule 3
Confirmity Assesment Route : 93/42/EC Annex II excluding Section 4

We, the manufacturer hereby declares that the above-mentioned product complies with the relevant provisions of the European Communities' Council Directive 93/42/EEC dated 14 June 1993, as amended by EC Council Directive 2007/47/EEC and this declaration is issued under the sole responsibility of us.
